☐ Continuation Sheet Attached

Brief Description of Argument to be Presented:

Miles '591 does not disclose the working combination of a plastic strip, adhesive elements, and coating to effect
operability of supporting discrete packages in a removably adhering manner while also preventing binding of the strips
during storage and dispensing from a roll.

An interview was conducted on the above-identified application on _____.

NOTE: This form should be completed by applicant and submitted to the examiner in advance of the interview (see MPEP § 713.01).

This application will not be delayed from issue because of applicant's failure to submit a written record of this interview. Therefore, applicant is advised to file a statement of the substance of this interview (37 CFR 1.133(b)) as soon as possible.
